SUMMARY

I am a high-spirited person with a ability of a quick learning, also a person who is interested in programming and new technologies. I have a pretty number of submissions on a Leetcode. I am a person with an efficient approach indulging in a problem solving and a good communication skill.

PROJECTS

Automated Brain Tumor Detection and Segmentation in MRI Images

Pranveer Singh Institute of Technology • July 2024 - Present

- Engineered an automated system for brain tumor detection and segmentation in MRI images, utilizing deep learning algorithms, which significantly reduced diagnostic time.
- Tools and Technology used - openCV, keras, python

Automatic Highlight Extraction in Cricket

Pranveer Singh Institute of Technology • July 2023 - Present

- Automatic Highlight Extraction project will automatically extract the key features of a particular cricket match.
- It incorporates the real-time weather updates that affect the gaming and provides the spectators with helpful information.
- The idea also incorporates commentary integration, offering professional insights alongside highlights, improving audience comprehension and pleasure.
- Technologies Used :- Cloud , Deep Learning, Open CV

Dynamic To-do application

Pranveer Singh Institute of Technology • June 2023 - July 2023

- Engineered a dynamic to-do application, enhancing user productivity by integrating features like drag-and-drop prioritization and real-time sync.

EDUCATION

Bachelor's of Technology - Computer Science and Engineering (Artificial Intelligence and Machine Learning)

Pranveer Singh Institute of Technology • Kanpur, Uttar Pradesh • 2025

Intermediate

Dr. Soney Lal Patel Senior Secondary School • Kanpur, Uttar Pradesh • 2020

High School

Dr. Soney Lal Patel Senior Secondary School • Kanpur, Uttar Pradesh • 2018

CERTIFICATIONS

Problem Solving

Hackerrank • 2022

Python(basic)

Hackerrank • 2022

COURSEWORK

The Complete 2024 web development bootcamp

Udemy • 2024

SKILLS

HTML, CSS, Javascript, React.js, C++, Data Structures and Algorithms,
